

## Anthony's Banquets: Frequently Asked Questions

### *How many people does the room fit?*

Our banquet facility accommodates up to 150 guests.

### *What is the minimum number of guests needed in order to book the banquet room?*

We require a minimum of 35 guests in order to reserve the banquet room or you must meet a \$900.00 food/drink minimum.

### *How much of a deposit is required and when should the deposit be given?*

Once you have selected a menu for your event, the banquet coordinator will send you a banquet proposal and contract. A deposit of \$300.00 is required once you approve and sign the banquet proposal and contract. Once the deposit and signed contract are received your event will be reserved. The \$300.00 deposit is deducted from your total bill.

### *How much does it cost to rent the room?*

There are two answers to this question, depending on the type of banquet that you want.

#### **1. Full-service banquet:**

If you wish to have a full-service banquet, catered by Anthony's, then there is no fee for the room by itself; instead, you pay a per person price based on the menu selections that you choose.

#### **2. Room-rental:**

You may rent out the banquet room space. This option allows you to select food and drink accommodations. Anthony's will solely be responsible for providing you with the space, tables, and chairs. The fee for this option is \$195.00 per hour with a minimum of 4 hours. Additional accommodations from Anthony's are available upon request.

### *How much does it cost for a full-service banquet?*

The price per person depends on the menu selections you choose. A custom menu is created for each event, which gives you the flexibility to choose exactly what you want for your guests. We work with you to ensure that you get what you desire: whether you want Hors D'Oeuvres that are stationary or passed, whether you request a buffet, family-style or a sit-down dinner, whether you want our homemade specialty desserts or to bring in your own cake. We strive to create the perfect banquet event for you with a host of additional upgrades, such as chair covers with organza ribbons, charger plates, and white glove service. *On a budget?* The banquet coordinator will work with you to personalize a menu that fits your budget.

***How much does it cost for the bar?***

There is a full-bar in the banquet room. There is a \$75.00 bartender/bar set-up fee to ensure that the bar is staffed and stocked for your event. The bar can operate as an **open bar**, in which case the host/hostess of the event pays the tab for all drinks or a **cash bar**, in which guests purchase their own drinks. Bar options can be changed to suit your needs.

***Can we bring a deejay/band/music?***

Yes, bringing in a deejay or a band is permitted. The banquet room houses a stage area, which is perfect for a deejay or band. The dance floor offers ample space for your guests to enjoy the music. Also, the banquet room has its own sound system with a hook-up for devices, such as an iPod, iPhone, etc., which allows you to control the playlist.
